AGREEMENT OF SALE AND PURCHASE  
(GTW No. 1 - CN PURCHASE)

JAN 18 1983 - 2 40 PM

INTERSTATE COMMERCE COMMISSION

This agreement executed and delivered on the 23rd day of December 1982 is among Comerica Bank-Detroit, a Michigan corporation (formerly Detroit Bank and Trust Company) ("Trustor"), D. E. Mundell and Ben L. Maushardt, not individually but solely as trustees ("Trustees"), United States Leasing International, Inc., a California corporation, solely as agent for the Trustees ("Agent"), and Canadian National Railway Company, a Canadian corporation, ("Purchaser").

## RECITALS:

A. Trustor is the sole beneficial owner of a trust ("Trust") established pursuant to a certain trust agreement dated as of December 3, 1968 ("Trust Agreement") among Trustor, Trustees and Agent.

B. Pursuant to the Trust Agreement, Trustees acquired certain railroad equipment ("Equipment") and leased it to Grand Trunk Western Railroad Company, a Michigan corporation ("Lessee"), under the terms of a certain equipment lease dated December 3, 1968 ("Lease") for a base lease term which expires May 30, 1984, with the obligations of Lessee under the Lease guaranteed by Purchaser.

C. Trustees and Agent entered into certain loan agreements ("Loan Agreements") dated December 3, 1968 with various lenders ("Lenders") pursuant to which Trustees borrowed a portion of the purchase price of the Equipment, which indebtedness is evidenced by promissory notes and pursuant to the terms of a Chattel Mortgage Trust Deed, Assignment of Rents and Security Agreement dated March 6, 1969 (together with all supplements thereto and related agreements, "Security Agreement") is secured by certain liens on the Equipment ("Liens").

D. Trustor wishes to sell its beneficial interest in that portion of the Equipment listed in Exhibit A hereto, which consists of Schedules A-1 through A-4, inclusive ("Exhibit A Equipment"), subject to the Lease and the Liens, and Purchaser wishes to acquire such interest.

## NOW, THEREFORE, THE PARTIES AGREE AS FOLLOWS:

1. Sale and Purchase. Trustor and Trustees hereby agree to sell, transfer, and assign to Purchaser and Purchaser hereby agrees to purchase and acquire, from Seller, on May 30, 1984 ("Transfer Date"), for the consideration set forth in paragraph 2 below ("Purchase Price"), the rights, title and interests of Trustor and Trustees in the Exhibit A Equipment subject, however to the Liens and to the Lease, both of which shall continue in accordance with the respective terms of the Security Agreement and the Lease. Such sale, transfer and assignment shall be WITHOUT RECOURSE AND WITHOUT WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, AS TO ANY MATTER

MPP

WHATSOEVER, INCLUDING, BUT NOT LIMITED TO, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR TITLE, except for the express warranties set forth in paragraph 5 of this Agreement.

Notwithstanding delivery of the Notes referred to in paragraph 2 below, the parties hereto acknowledge that this Agreement is wholly executory in character and that prior to the Transfer Date (and full payment of the Purchase Price), ownership of the Exhibit A Equipment (subject to the Liens and the Lease) shall continue in Trustor and Trustees; and Purchaser shall acquire ownership therein only upon fulfilment of all the conditions set forth in paragraph 4 below.

2. Purchase Price. The Purchase Price for the Exhibit A Equipment shall be \$5,554,578, payable as follows:

(a) upon execution hereof cash in the amount of \$288,759;

(b) upon execution hereof, delivery of Purchaser's promissory note in the form of Exhibit B hereto in the principal amount of \$2,458,131 ("Note 1");

(c) on March 1, 1983, delivery of Purchaser's promissory note in the form of Exhibit B hereto in the principal amount of \$2,807,688 ("Note 2").

Note 1 and Note 2 are hereafter collectively called "Notes".

All of the foregoing amounts and other amounts referred to in this Agreement are in United States dollars. Purchaser shall pay, in addition, all taxes, fees and assessments (other than state and United States federal income taxes and Canadian provincial and federal income taxes) imposed or otherwise payable by the parties as a result of or in connection with this Agreement.

3. Continuation of Lease. The Lease shall remain in full force and effect until its expiration or earlier termination in accordance with its terms and Trustees shall continue as owner and Lessor of the Exhibit A Equipment during the term of the Lease, and shall continue to be entitled to enforce performance of the Lease and to all rent, damages and other amounts payable by Lessee under the Lease. The beneficial interest of Trustor in the Exhibit A Equipment is subject to the legal interest of Trustees as owner and Lessor of such Equipment during the term of the Lease, all terms and provisions of the Lease, all rights of Lessee thereunder, and all rights of Lenders under the Security Agreement and the Liens. Purchaser recognizes that the interest in the Exhibit A Equipment which it shall acquire by reason of this Agreement represents interests of Trustor and Trustees in such Equipment after Lessee has satisfied all of its obligations under the Lease.

4. Conditions for Transfer of Title. Upon Lessee's satisfaction of all of its obligations under the Lease and the satis-

faction of all Purchaser's obligations under this Agreement, (including payment in full of the Notes), ownership and legal title to the Exhibit A Equipment shall pass to Purchaser, and Trustor and Trustees shall deliver to Purchaser a bill of sale in the form of Exhibit C hereto, and shall take such action, including action to terminate the Trust, as Purchaser may reasonably request for the purposes of transferring to Purchaser ownership of and title to the Exhibit A Equipment; provided, however, that Trustor and Trustees shall not be required to make any representations or warranties other than those in paragraph 5 of this Agreement and provided, further, that Trustor and Trustees may expressly disclaim any other warranties.

5. Representations, Warranties and Covenants of Trustor and Trustees. As an inducement to Purchaser to enter into this Agreement, and to pay valuable consideration to Trustor and Trustees for the rights and interests hereby sold, Trustor and Trustees, each individually for itself or himself, hereby represent, warrant and agree that:

(a) Trustor and Trustees have the right, power and authority to enter into and perform the undertakings provided for in this Agreement and this Agreement has been duly executed and delivered by Trustor and Trustees and constitutes the legal, valid and binding agreement of Trustor and Trustees enforceable in accordance with its terms (subject to applicable bankruptcy, reorganization, insolvency, moratorium laws and other general limitations on remedies from time to time in effect).

(b) The Lease, the Loan Agreements and the indebtedness of the Trust under the Loan Agreements shall continue without change in terms or conditions.

(c) Trustor and Trustees, alone or together, have taken no action to terminate the Trust.

(d) Trustor and Trustees will promptly deposit in the United States mail, postage prepaid and addressed to Purchaser, copies of all notices and other information received by Trustor and Trustees in connection with the Lease, the Loan Agreements or the Security Agreement from and after the date hereof which under the terms of the Lease, Loan Agreements or the Security Agreement are to be given to Trustor and Trustees under the terms of the Trust and other documents executed in connection therewith, and shall mail to Purchaser, as aforesaid, any and all such other documents described in the Lease, Loan Agreements or the Security Agreement that are in the possession of Trustor and Trustees upon request therefor by Purchaser.

(e) The Trust is the owner of the Exhibit A Equipment, and such Equipment is not subject to any liens or encumbrances thereon, other than the Liens, liens or encumbrances created by Lessee or liens or encumbrances which Lessee is obligated to discharge or satisfy, the rights of Lessee under the Lease, and the rights of Purchaser hereunder.

(f) Upon Lessee's satisfaction of its obligations under the Lease, the Equipment will be free of all liens, claims, security interests and encumbrances in favor of Trustor and Trustees or any person claiming through or under Trustor and Trustees, except for Purchaser's claims pursuant to this Agreement.

(g) To the best knowledge of Trustor and Trustees, no Event of Default as defined in the Lease or an event that with the giving of notice or lapse of time or both would constitute such an Event of Default has occurred and is continuing.

6. Representations and Warranties of Purchaser. Purchaser hereby represents and warrants to Trustor and Trustees that:

(a) Purchaser has received the documentation and information referred to in the Recitals to this Agreement.

(b) All necessary consents and approvals with respect to this Agreement and the issuance of the Notes have been obtained.

(c) The Notes and this Agreement have each been duly executed and delivered by Purchaser and constitute the legal, valid and binding obligations of Purchaser enforceable in accordance with their terms (subject to applicable bankruptcy, reorganization, insolvency, moratorium laws and other general limitations on remedies from time to time in effect).

7. Casualty Occurrence. In the event of a Casualty Occurrence, as such term is defined in the Lease, with respect to an Item of Equipment as defined in the Lease, Purchaser shall pay Trustor and Trustees (in addition to all amounts required to be paid by Lessee under Section 11 of the Lease), and at the same time, the applicable Additional Amount shown in Exhibit A hereto. Upon such payment by Purchaser, the principal of each of the Notes shall be reduced by the following respective amounts for each Item of Equipment for which such Casualty settlement was made:

	<u>Note 1</u>	<u>Note 2</u>
Schedule A-1	\$3,809	\$4,351
Schedule A-2	3,070	3,507
Schedule A-3	4,377	5,000
Schedule A-4	4,377	5,000

8. Events of Default; Acceleration of the Note. If any of the following events ("Events of Default") shall occur and be continuing:

(a) Purchaser shall fail to pay any installment of principal of either Note when due; or

(b) Any representation or warranty made by Purchaser herein in connection with this Agreement shall prove to have been incorrect in any material respect when made; or

(c) Purchaser shall fail to perform or observe any other term, covenant or agreement contained in this Agreement on its part to be performed or observed and any such failure shall remain unremedied for 30 days after written notice thereof shall have been given to Purchaser by Trustor or Trustees; or

(d) An Event of Default as defined in the Lease shall occur,

then, Trustor, or subsequent holder of the Notes, may, at its option, by notice to Purchaser, elect to cancel this Agreement, Purchaser's right to acquire the Exhibit A Equipment and Purchaser's obligations hereunder, or to enforce this Agreement and declare the Notes to be forthwith due and payable, whereupon the Notes shall become and be forthwith due and payable, without presentment, demand, protest, or further notice of any kind, all of which are hereby expressly waived by Purchaser. In the event the Notes are declared due and payable by Trustor or a subsequent holder, the then unpaid principal amount of the Notes shall be discounted to their respective present values at the rate of 11% per annum.

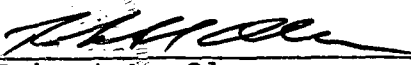

9. Expenses. Each party hereto shall pay the fees and expenses of its respective counsel and any advisors it has retained; and whether or not the transaction contemplated hereby is completed, no party shall be obligated to pay out-of-pocket or other costs and expenses of the other party.

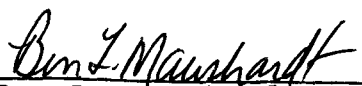

10. Release of Tax Indemnity. Trustor does hereby release Lessee (which is hereby expressly made a third party beneficiary of this Agreement) from any obligations it may have to indemnify Trustor for income taxes which become payable as a result of the transaction contemplated in this Agreement.

11. Counterparts. This Agreement may be executed in any number of counterparts, but all of such counterparts together shall constitute one and the same agreement.
